**Doc No :** PDSAMEORLE  
**Date :** 01-04-2025  
**Type :** AQUASOL DIGITAL  
**Product Code:** AMEORLE

---

**PRODUCT DATA SHEET**

---

**1 PRODUCT DETAILS**

PRODUCT NAME                      ORP Epoxy Laboratory Electrode  
PRODUCT CODE                      AMEORLE

**2 TECHNICAL DETAILS**

Model                                    AMEORLE  
Parameter                              ORP  
Range                                    ± 2000 mv  
Built -in Temp. Sensor              No  
Operating Temperature              0 to 70 Deg C  
Body Material                         Plastic  
Sensor Material                       Platinum  
Meter Connection                     BNC  
Max Pressure (Bars)                 NA  
Cable Length                         1M

**3 DIMENSIONAL DETAILS**
