Table Top PH Meter

SKU: ABTPH | Range: 0 - 14 PH

For analyses for parameters like PH in industries we have specially developed reliable accurate and robust Table Top meters. These meters are available with a built in Bluetooth which enhances the measuring performance and provides accurate readings. The meters have multi parameter option i.e. same meter can analyse different parameters ORP by just adding an extra electrode. All meters have rugged housing and splash proof keyboard. It has a optional Built-in Bluetooth function for remote printing and Android APP for mobile interface.

KEY PRODUCT FEATURES
